Immigration services of the U. S. Department of State and Homeland Security Office provides international students on J-1 Visa status an opportunity to take part in what they term “Academic Training” for a period up to 18 months following the completion of the students’ degree program. Essentially, that means that the student would be given extended time in the U.S. to work in their field of study following their graduation from Westminster.

In order for the student to take advantage of this opportunity, your signature is required. If you have any questions, please do not hesitate to contact the International Student Office.

I authorize _____ to do “Post Curricular Academic Training” from _____ to _____.
