Yes, our congregation is willing to partner with students preparing for ministry as a part of the Teaching Churches Network. We are willing to make the following commitments:

1. We will provide a mentor to oversee the preparation of at least one student for ministry.
2. We, as a congregation, are willing to allow the student(s) to engage in the fullness of appropriate ministry experiences.
3. We are committed to assist the student(s) to fulfill the requirements of Mentored Ministry at Westminster Theological Seminary and will strive to allow the student to complete as many Recommended Learning Activities as possible (Mentored Ministry Manual p.11ff)
4. We will strive to provide an internship experience that is approved by our church (presbytery, synod, etc).
