## Tuition Policy and Guidelines

### Payment Deadlines

A student's registration is fully finalized upon payment of tuition. Students who are not able to pay tuition and fees by the last day of the Add/Drop period (or when final payment is due) will be dropped from their courses and charged a late fee, unless satisfactory arrangements for payment have been made with the Finance Office.

### Installment Payment Plans

Residential students may request an installment payment plan for that semester's tuition charges. Please note the following:

- If approved, a promissory note is to be executed confirming the student's financial obligations. Students are required to abide by the terms of their promissory notes.
- Installment payments are available for the fall and spring semesters for residential students only. DMin students only may arrange an installment payment plan for summer and winter courses.
- All students whose only courses are Online Learning or independent studies are not eligible for installment plans and must provide payment information at time required for the course.

### Outstanding Financial Obligations

A financial hold shall be placed on the record of any student with a payment to the Seminary outstanding after the due dates contained in the promissory note, or if the student has any other unpaid financial obligations to the Seminary (including the library). That student shall not be permitted to register for a subsequent semester, receive grade reports, have transcripts sent, request future payment plans, or receive a diploma.

If the account balance has not been paid in full by the conclusion of the semester/term, the student will be withdrawn from his or her program and will not be allowed to be reinstated until all outstanding payments have been made.

### Government Loans

If using government loans to pay tuition, please note that the loan must be approved before the first day of the semester or term by the Financial Aid Office. Those students who have applied for a government loan and have not received written approval before the first day of the semester or term will be required to pay their tuition and fees in full or to pay their tuition via an installment payment plan according to the terms outlined above. For more information see [Government Loans](#).

### Westminster Scholarships

Residential students who have been awarded a Westminster scholarship will see their scholarship amounts shown as "expected aid" on their account. If a student loses scholarship eligibility during the semester for any reason, the balance owed for tuition and fees is expected to be repaid in full.

Online students are not currently eligible for Westminster scholarships.

# Tuition Payments

## Refunds

### Online Students

Refund amounts are calculated on the number of calendar days in the term beginning with the first day of the semester and ending with the last day of exams. Students who drop a course on or before the first day of class will be refunded the complete amount of the tuition for the course. Students who withdraw beyond the first day of class will receive a prorated refund calculated based on the time lapsed, from the first day of class to the date the course was withdrawn.

If a refund is given, it will be granted a refund in the form of a credit that will remain on the student's account for future terms of study. Cash refunds will not be granted. Credits will not be given if a student withdraws past the last date listed in the respective schedule. Refunds will not be granted outside of a credit for future terms.

For terms that are ten weeks long, the following refund schedule will be used to determine the refund.

Up to the first day of the term	100% refund
2nd-13th day of the term	80% refund

14th-27 day of the term	60% refund
After 27th day of the term	No refunds will be issued

For terms that are nine weeks long, the following refund schedule will be used to determine the refund.

Up to the first day of the term	100% refund
2nd-12th day of the term	80% refund
13th-24 day of the term	60% refund
After 24th day of the term	No refunds will be issued

## Residential Students

A student is responsible for payment of all registered courses whether the course was attended or not.

### For Dropped or Withdrawn Courses in a Semester or Term

The refund amount is calculated on the number of calendar days in the semester beginning with the first day of the semester and ending with the last day of exams. Students who drop a course before the add/drop deadline will be refunded the complete amount of the tuition for the course. Students who withdraw from a course on or before 60% of the semester has been completed will receive a prorated refund calculated based on the time lapsed, from the last day of the Add/Drop period to the date the course was withdrawn.

For traditional residential courses in the fall or spring semester, please see the following refund schedule (weekends and school breaks are calculated in the refund):

Residential Refund Policy	
During Add/Drop Period	100% refund
End of A/D to 20% of the semester	80% refund
21%-40% of the semester	60% refund
41%-60% of the semester	40% refund
*At 61% of the semester no refunds will be issued	

Residential students in online courses must pay for an online course in full prior to the start of the term. The refund policy for residential students in online courses is consistent with the traditional refund policy for all terms.

If an individual is suspended from the Seminary, no refund will be given.

It is the students responsibility to know the Add/Drop deadline and refund policies for the courses they are enrolled in.

### Leave of Absence

A refund will not be given if the student's leave of absence is 60 days or less and is the only leave of absence taken in a twelve-month period.

### Students in the post-coursework phase

A refund of 50% will be given if the student withdraws before the first day of the spring semester. No other refunds will be given for students in the post-coursework phase.

## MTE I & II

The refund policy for MTE courses follows the refund policy for residential courses. As the initial deposit of \$500 is non-refundable, it will be deducted from any refunds calculated.

**Room Rent**

Dormitory residents who move out of the dorm before the end of the semester will not receive a refund of the dorm charges for that given semester.

**Students with a Government loans**

Please see Title IV Refund policy in Chapter 12 or the Financial Aid Office for more details regarding Changes in Eligibility, Direct Loan Refund Policy and Federal Calculation.

**Appeals**

Students who believe that individual circumstances warrant exceptions from the refund policy may appeal to the Finance Office.

The following list represents options to fund a Westminster education (apart from personal resources):

- Westminster-administered scholarships
- Outside scholarships from churches and organizations
- Funds from family and friends

### Scholarships - General Information

Westminster maintains a policy of holding the expense of theological education to a minimum for the student and encourages the student to meet this expense from his or her own resources. In order that students might not be prevented from receiving a theological education for financial reasons, the Seminary endeavors to provide scholarships for those whose circumstances require it.

Application for Westminster scholarships can be accessed through the student application status page after the student has secured admittance into a program. Students should use the appropriate online platform to apply or reapply for their scholarship. Online students are not eligible for Westminster administered scholarships.

## Awarding of Scholarships

Awards for the following academic year will be made after the receipt of the Financial Aid application and the necessary materials for the scholarship.

Students will be notified by email whether or not they have been awarded or re-awarded a scholarship. Financial aid recipients will be issued an award notification letter including “passive acceptance” language and disclosures not requiring a student acceptance signature and thereby reducing the turnaround time and expediting issuance of disbursements to the student. Given the sensitive nature of scholarship availability and funding, students will also be required to abide by an agreement of confidentiality.

Before any funds are disbursed to returning students, scholarship recipients are required to evidence that they are matriculated as students in an appropriate program of study. Scholarships will only be applied to cover the cost of courses required for the degree program in which the recipient is enrolled.

All scholarships are calculated and applied based on the residential tuition rate associated with the student's degree program, with the exception of online courses that are required by a student's degree

program. Scholarships for required online courses will be calculated based on online rates. Scholarships for online courses taken as electives will be calculated on the residential rate, and thus online electives may have a higher tuition rate.

Unless otherwise noted, the awarding of scholarships is based on financial need. In determining a student's need, items that will not be considered allowable expenses include maternity costs, support of relatives other than the spouse and children of the applicant, and school tuition or other school expenses for spouse or other dependents of the applicant. For U.S. citizens and permanent residents, the Free Application for Federal Student Aid (FAFSA) results are considered when determining a student's need. For some named scholarships, merit and academic standing are also under consideration.

Students who are awarded a scholarship and who have had tuition covered through other means will have their Westminster scholarship removed or the awarded amount adjusted. Only aid received by the Finance Office on behalf of the student which is designated solely for non-tuition expenses will not influence the amount of a Westminster scholarship.

Except for rare cases, each recipient is awarded only one scholarship, regardless of the number of scholarships for which he or she applied. The scholarship is awarded once a year for a one-year period only (except for "Spring Semester Only" awards). Students who have been awarded scholarships for a given academic year must reapply for this financial aid each successive academic year they plan to be enrolled.

The academic year extends from the summer term beginning in June through the spring semester ending the following May. The summer term, which is comprised of three modules, is considered as a whole in terms of aid. The winter term and the spring semester are considered together as the spring semester in terms of aid. Any reference to the spring semester assumes that the winter term is included. Scholarships are only awarded for the fall and spring semesters, but summer languages can be covered if the student is eligible.

### **Appeal process**

In certain situations, students may appeal for a re-evaluation of their eligibility for financial assistance. Students must write an appeal letter, stating their situation and reason for the appeal. Appeals will be reviewed by the Scholarship Committee and the students will be notified of their decision within a two week period.

## **Application of Westminster Scholarships & External Aid**

### **Westminster Scholarships and External Aid**

Westminster scholarships will be applied to the student's account so long as the student remains within the eligibility requirements specified. If a student has been awarded a Westminster scholarship and also has received external aid, the Westminster scholarship will be applied to the student's account last and any excess will not be refunded to the student. Under no circumstances will the Seminary pay out Westminster scholarships in excess of the student's outstanding balance.

### **External Aid Designated for Non-Tuition purposes**

If external aid is received for a particular student and is designated exclusively for a non-tuition expense such as books or living expenses, then the full amount of the aid will be given to the student and there will be no reduction of his or her Westminster scholarship (if applicable).

# Scholarship Application Submission Requirements

## Veterans and Service Member Benefits

Westminster participates in the GI Bill® Benefits, GoArmyEd Tuition Assistance, other active duty personnel and AmeriCorps programs.

Students who are veterans should refer to the [U.S. Department of Veterans Affairs website](#) for eligibility requirements. Active Duty and Army Reservists seeking tuition assistance should check the [GoArmyEd website](#) for application information. Helpful information for veterans and service members considering attending Westminster, including degree program details and costs associated with attending, student success, and borrowing, may be gleaned on the [Westminster website](#).

- Federal Direct Unsubsidized Loans
- Graduate PLUS Loans

The direct loan program is funded and insured by the federal government. The Seminary is also approved to participate in the Canada Student Loans Program. This program provides federally insured loans to students via private banks and is administered by the various Canadian provinces.

The **Federal Direct Unsubsidized Loan (FSUL)** is not need-based and has a 6.6% interest rate and a 1.062% loan fee for loans disbursed after October 1, 2018. It is available to students who may request up to the smaller of \$20,500 or the Cost of Attendance (COA), which is determined by the sum of living expenses, tuition, fees (student and loan), and books. The interest due on an unsubsidized loan is paid by the student.

The **Graduate PLUS Loan** is not need-based and has a 7.6% interest rate and a 4.248% loan fee for loans disbursed after October 1, 2018. It is available to students with good credit history who want to borrow funds in excess of their total unsubsidized loan eligibility. The combined total of unsubsidized and GradPLUS loans plus other financial aid per academic year cannot exceed the student's COA. For further information on this loan, please contact the Financial Aid Office.

**Recommended Loan Limits:** Current and prospective students considering loans to finance their Westminster education are advised not to exceed a total student loan (combined undergraduate and graduate) indebtedness in excess of \$26,000 for an MDiv or MAR degree and \$20,000 for other master's degrees. Students requesting loans which will result in them exceeding a total loan debt level of \$26,000 for an MDiv or MAR degrees or \$20,000 for other master's degrees will be emailed a "Notice of Student Debt Management" about loan repayment or be required to meet with the Financial Aid Office for debt counseling.

Financial aid recipients will be issued an award notification letter including "passive acceptance" language and disclosures not requiring a student acceptance signature and thereby reducing the turnaround time and expediting issuance of disbursements to the student.

## Residential Academic Year Definition

Westminster's academic year is defined as a minimum of two Periods of Enrollment (POEs), comprised of the fall and spring semesters—both typically 15 weeks in duration—for a total minimum of 30 weeks. A winter "intercession" term is offered to students, which is typically 4 weeks, and is combined with the spring semester for the sake of enrollment eligibility requirements for Financial Aid. **During the academic year so defined, a full-time MDiv, MAR, or Certificate student is expected to complete a minimum of 24 credits.** If for any reason the academic year is less than 30 weeks and the Seminary can show good cause for the reduction, the Seminary must file for a waiver from the Secretary of Education. In no case will the academic year be less than 28 weeks in duration. The academic year can also include other POEs as defined below. Please contact the Financial Aid Office to discuss your eligibility.

## Online Academic Year Definition

Westminster's academic year for Online learning is defined as six Periods of Enrollment (POEs), May, June, September, October, January, and March terms. Terms are between 9 and 10 weeks in duration for a total maximum of 48 weeks. **Students can retain full-time status by completing a minimum of 30 weeks of class, which would include June, October, and March terms. During the academic year so defined, a full-time student is expected to complete 18 credits.**

## Periods of Enrollment

A student's loan period, or Period of Enrollment (POE), is the term, semester, or academic year in which the student is registered. POE dates begin with the first day of classes (as specified in the Academic Calendar), which may or may not coincide with the first day of individual courses and end with the last day of the exam period. The minimum POE is a single module and the maximum POE is twelve months. If the POE begins with a term or semester comprised of modules (see POE Definitions below), the POE start date will be the first day of the term/semester, which coincides with the beginning of the first module; however, only the module(s) for which the student is registered and attending will be used for COA calculations.

### POE Definitions Used for the Purposes of Determining Loan Limits:

Summer Term: 12 to 13 weeks (3 months), June through the end of August

- Module 1 ("June" Module): 4 weeks (1 month) during the month of June
- Module 2 ("July" Module): 4 weeks (1 month) during the month of July
- Module 3 ("August" Module): 4 weeks (1 month) during the month of August

Note: Modules 1-3 may not be considered individually for loan eligibility

Fall Semester: 15 weeks (4 months)

Spring Semester:

- Module 1 ("Winter" module): 4 weeks (1 month) during the month of January
- Module 2 ("Spring" module): 14 weeks (4 months)

### POE Online Term Definitions Used for the Purposes of Determining Loan Limits

June Term: 10 weeks

October Term: 10 weeks

January Term: 8 weeks

March Term: 10 weeks

May Term: 10 weeks

## Student Loan Eligibility

In order to be eligible for an FDSL P loan, a student must:

1. Be a U.S. citizen or eligible noncitizen.
2. Be enrolled at least half-time (see Enrollment Status Chart in Chapter 6) in one of the following degree programs: MDiv, MAR, MAC, MACS, ThM, or PhD (DMin and Certificate students are not eligible to apply for federal loans).
3. Hold a baccalaureate degree, or have completed with a passing grade classes totaling 72 undergraduate or graduate credits.
4. Maintain Satisfactory Academic Progress (SAP) requirements as listed in the SAP section for Financial Aid below.

If the student does not meet the SAP standards due to the student having undergone undue hardship because of the death of a relative of the student, injury or illness of the student, or another special circumstance, a letter of appeal may be submitted to the Financial Aid Office requesting loan funds for an additional semester. If the appeal is approved, the student will be permitted to receive loan funds for one

probationary semester in order to reestablish compliance with SAP requirements. If the student does not achieve SAP compliance after completing the probationary semester, he or she will be ineligible for future loan disbursements.

## Loan Application Procedure

To apply for a student loan, students must submit the following loan application materials:

- Westminster Financial Aid Loan Request Form for U.S. and Canadian Students
- [Free Application for Federal Student Aid](#)
- Tax Return Transcript Information: Electronically transferred to the FAFSA using the IRS Data Retrieval Tool (preferred) or provide a Tax Transcript (available from [the IRS](#)).
- Non-tax filers: Non-Tax Filer Worksheet

Students borrowing through Westminster for the first time must also submit the following online (available through [www.studentloans.gov](http://www.studentloans.gov)):

- Master Promissory Note (MPN) for Direct Unsubsidized Loans or Master Promissory Note for Graduate PLUS loans
- Loan Entrance Counseling for graduate students

It is critical that all application materials be completed and submitted as early as possible to ensure processing for timely disbursement.

## FDSL P Loan Application Deadlines

If a student plans to pay for his or her tuition and fees with an FDSL P loan, the loan must be originated before the enrollment date (first day of classes). Since, under normal circumstances, the loan process takes a minimum of three weeks after receipt of all application materials before the loan is originated, a student must submit all loan application materials according to the following deadline schedule:

Deadline	Semester/Term
June 15	Summer Term (June, July and August modules combined)
August 15	Fall Semester
September 15	October Term (Online students only)
December 15	January Term (Online students only)
January 15	Spring Semester (Winter & Spring modules combined)
February 15	March Term (Online students only)
April 15	May Term (Online students only)

**The student is responsible for paying all tuition and fees when payment is due, regardless of the status of the student's loan.** Failure to submit completed loan application materials by the above deadline(s) may result in delayed enrollment or a student needing to submit payment through other means.

## Loan Disbursement Dates

Unless a loan application is certified on a date past the halfway point of the POE, there must be multiple disbursements. The second disbursement should occur no sooner than after one-half of the POE has lapsed, unless the student's second module within the POE begins earlier. In that situation the second disbursement date may be up to 30 days before the beginning of the student's second module. If the loan application is certified beyond the halfway point of the POE, a single disbursement may be requested. Standard disbursements for each semester may be found on the financial aid loan webpages.

<b>Semester/Term</b>	<b>Disbursement dates</b>
Summer Term (June, July, and August modules combined)	June 14 (Online students only), July 12
Fall Semester	September 20, October 18, November 15, December 6
Spring Semester (Winter and Spring modules combined)	January 17 (Online students only), February 21, March 20, April 17, May 8

## **Changes in Student Eligibility Status**

If a student is currently receiving an FDSLPL loan or has received a FFELP or FDSLPL loan through Westminster in prior academic years, the following procedures apply:

1. If a student drops or withdraws from a course: this may result in a change in eligibility, in which case the student's loan funds may be adjusted because of the change in his or her cost of attendance.
2. If the student wishes to withdraw from all or some of his or her courses: the student should notify the Academic Affairs Office and the Financial Aid Office in writing of the change in enrollment status.
3. If the student is considering taking a leave of absence (LOA): the student should first contact the Academic Affairs Office and Financial Aid Office for guidance. In addition, the student should be aware of what constitutes an approved Title IV LOA:
  - A LOA is limited to 180 days in any 12-month period.
  - Upon return, the student must be able to complete coursework begun prior to the LOA. This means that the student must be able to return at the exact point in the program where the student interrupted his or her coursework or training.
  - If a student fails to return from a LOA, the starting date of the grace period for repayment of loans is the start date of the LOA.
4. If the student graduates, ceases to be enrolled at least half-time, or withdraws completely: the student must complete the online Loan Exit Counseling (accessible through [www.studentloans.gov](http://www.studentloans.gov)). Deadlines to complete Loan Exit Counseling are as follows:
  - For graduating students: the Monday of the last week of spring semester classes
  - For withdrawing student: within two weeks of student's withdrawal date
  - For student enrolled less than half-time: within two weeks of status as less than half-time
  - For student who withdraws without notifying the Academic Affairs Office: the last date of recorded class attendance will be used as the withdrawal date
  - For Leave of Absence (LOA) student: within two weeks of student's LOA date

## Return of Title IV Funds

The Financial Aid Office will return loan proceeds for all FDSLPL students who drop or withdraw from all courses or who take a leave of absence or are administratively withdrawn prior to completing 61 percent of a semester. More information can be found in the Student Aid Handbook at [www.JFAP.ed.gov](http://www.JFAP.ed.gov). Federal regulations are not related to the Seminary's charge adjustments, but rather to the adjustments of funds received through FDSLPL.

When FDSLPL financial aid is returned, the student may owe a balance to Westminster.

If a student withdraws after the 60<sup>th</sup> percent point in the semester or term, no adjustments will be made to his or her FDSLPL loan. He or she is considered to have earned 100 percent of this aid.

Federal regulations require the Seminary to return unearned aid to the lender in the following order:

1. Unsubsidized Federal Direct Loan
2. Graduate PLUS Loan

Under the federal refund calculation regulations, all fees must be refunded to the Federal Title IV program, even those specified in the catalog as "non-refundable." The following schedule is applicable to all terms:

### Federal Refund Calculation

Percent of POE Completed	Percent of Refund
Before the first day of classes	100%
1% to 10%	90% to 99%
11% to 20%	80% to 89%
21% to 30%	70% to 79%
31% to 40%	60% to 69%
41% to 50%	50% to 59%
51% to 60%	40% to 49%
61% or more	none

### Loan Disputes

Students and alumni who are seeking help with a Federal loan issue that they were not able to resolved with the appropriate loan servicer, may contact the [Federal Student Aid Ombudsman Group](#).

### Repayment Options

Various payment options are made available for student loans, including income-sensitive and income-based repayment plans. Contact your loan servicer for more information.

## Alternative Education Loans

Students who are ineligible for government loans may apply for educational loans provided by commercial banks. These loans have variable or fixed interest rates which are competitive with those of government loans. Students wishing to apply for a bank student loan may compare interest rates, eligibility requirements, and application details of loans offered by different banks on [ELMSelect](#). Banks with which Westminster has worked in the past are listed on the ELMSelect site. Once the bank has processed and approved the loan application, the Financial Aid Office at Westminster will be contacted to certify the enrollment status of the loan applicant. Alternative loan disbursement dates will be aligned with those of government loans whenever possible. Westminster will provide a written or electronic form for a private education loan a self-certification form upon request.

Schools that enter into an agreement with a potential student, student, or parent of a student regarding a Title IV, HEA loan are required to inform the student or parent that the loan will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and schools determined to be authorized users of the data system.

## **Satisfactory Academic Progress for Financial Aid**

Satisfactory Academic Progress (SAP) measures the qualitative and quantitative aspect of a student's academic work as being adequate to receive financial aid, including student loans, VA Benefits, and/or scholarships. SAP directly impacts a student's ability to receive and maintain their financial aid package. Students are able to receive more than one type of financial aid, and should review their award letter to ensure they are in compliance with SAP standards.

Based on the type of financial aid a student receives, please see the requirements as detailed below.
